**TERMS OF REGISTRATION AS EXTERNAL MEMBER**

Interested individuals not affiliated with the University of Cyprus may register as External Members (EM) of the Library under the following conditions:

1. The applicant fills in and submits this application form to the Library. Upon submission, the applicant declares that all information provided is correct and true.
2. In case the applicant does not already have a Library Member Card, s/he must pay €12,00 for a personal Member Card to be issued.
3. For family or group subscriptions, as well as where EMs are allowed a discount, all necessary documentation must be provided upon submission of the application.

**EXTERNAL MEMBER'S OBLIGATIONS**

4. The Member Card is required to enter the Library premises, to check out material (appropriate active subscription required), to photocopy and print from Library devices, as well as to get credentials for Wi-Fi access within the University. EMs must always carry with them their Member Card while in the Library and be ready to present it to Library staff or Security Guards upon request.
5. In case a Member Card is stolen, lost or rendered non-usable, the EM must inform the Library immediately, so that the card be deactivated and a new one be issued.
6. If a card must be reissued for any of the reasons mentioned in point 5 above, the EM must pay anew €12,00 for the new card.
7. In case any personal information (name and contact information) changes, the EM must inform the Library immediately. Submitting incorrect information and/or neglecting to update immediately upon changes constitute a serious offense that may lead to cancellation of the registration and/or other sanctions.
8. Every EM bears personal and exclusive responsibility for the timely return or renewal of items they have checked out. **The Library has no obligation to remind the member and any notifications sent by the Library**

**aim only to assist the member, and the latter cannot claim that s/he has not read or has not received or has not been sent a notification and bring that as an excuse for any overdue return of material, since all members can check their own account online.**

9. Overdue return of material leads to fines imposed. For the general collection the fine is €0,40 per day per item.
10. In case a recall is placed by another user and the EM is requested to return a checked out item earlier than the scheduled date, the EM must return the item within three (3) working days, otherwise the appropriate fine will be imposed.
11. If upon return of an item damage is detected that had not been pointed out during the checkout, the EM must pay for the expenses of replacement or restoration of the item.
12. If an EM loses and consequently cannot return a book s/he must replace it with a new copy or pay the necessary expenses for its replacement, as per the estimation made by the Library.
13. Any outstanding balance towards the Library automatically suspends the right of the EM to check out other items or to renew items already checked out, until the payment is settled.
14. To EM who do not fulfil any of their obligations towards it, the Library may impose as a penalty definite cancellation of the EM registration and/or other more serious sanctions to be decided by the Library Director or the Library Committee.

**THE APPLICANT / EXTERNAL MEMBER MUST BE AWARE THAT:**

15. Borrowing rights are activated within 2-3 working days after submission of the application.
16. Upon expiration of the usage period of the Member Card the remaining money credit for photocopying/printing is lost, while the Card may be re-activated in the future for a new subscription.
