

ANNEX TO THE APPLICATION FOR REGISTRATION OF A MINOR AS AN EXTERNAL MEMBER / FOR FAMILY SUBSCRIPTION

This page is annex to the application submitted (a) for the registration of a minor as an external member or (b) for family subscription to the Library and is attached to the application constituting integral part of it. The family subscription may include children of the applicant 12-15 years old, who will undergo a training seminar before being given a member card. Children under 12 years may not become members, but they can visit the Library provided that they are accompanied by adults who are registered external members and who supervise the children throughout their entire stay at the Library. For each member a photograph will be taken by the Library staff upon submission of the application.

Please fill in the information below regarding the members of your family you wish to add to the subscription. Please note that for each member added you must pay upon submission of the application €12 for the issuing of personal member card.

Member 2

(if necessary, attach additional sheets of annex)

I submit an application registration of a minor as an external member / for family subscription to the Library and wish to have all the above family members of mine registered. I am aware that I bear all responsibility in case any of them does not comply with the terms included in page 2 of the application, with the provisions of the Library Policies and Terms of Use, and with the legislation of the Republic of Cyprus, and that I bear all responsibility for their general behavior while in the Library and towards the Library.
